Many letters pass brough the mails, reach this city, and are deposited in the boxes safely, but because of a divided responsibility, fail to reach the firm or family addressed.

The Carriers are all sworn to a faithful per formance of service, and are under heav bonds for an honest discharge of duty. If the business community could be induced to cease sending boys to the Postoffice for their mail matter, and accept the means provided by the Department for a safe delivery of letters through responsible carriers, great evil would be corrected, and many losses (now occurring) prevented.
